Phone: +92-3060344929 | Email: kashifali4929@gmail.com | Portfolio: kashifportfolio.me

LinkedIn: linkedin.com/in/thekashifali | GitHub: github.com/kashifaali

Skills

Frontend: React.js, JavaScript, HTML, CSS, Tailwind CSS

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, Mongoose, MySQL

Tools: Git, GitHub, Postman, VS Code, Firebase

Others: JWT Authentication, Passport/Firebase authentication, MVC Architecture, Responsive Design

Experience

Full-Stack Web Developer | CodeDesk Studio | Vehari

June 2024 – Aug 2024

- Contributed to two real-time web application projects as a full-stack intern.
- Project 1 – Dynamic Frontend UI**
 - Developed the complete front-end using React.js and Tailwind CSS based on Figma designs.
 - GitHub: github.com/mustaqeez/eiternal_landing_page
 - Website: eiternal-landing-page.vercel.app
- Project 2 – Full-Stack E-commerce Store**
 - Improved existing UI design and resolved backend issues in a Node.js and Express.js application.
 - GitHub: github.com/GoriPathan/shopyla_FrontEnd
 - Website: shopyla.com
- Collaborated using Git and GitHub, managed pull requests, and participated in team code reviews.

Projects

Full Stack Professional Networking Platform

github.com/Career-sense

Tech Stack: React.js, Node.js, Express.js, MongoDB, Tailwind CSS, Socket.IO

- Built a LinkedIn-style platform with user profiles, posts, image uploads, and real-time chat.
- Developed backend services using Node.js, Express.js, and MongoDB Atlas for data management.
- Implemented JWT-based authentication and secure session handling.
- Integrated Socket.IO for real-time messaging between connected users.

Full Stack Rental Booking Platform

github.com/PakVacation

Tech Stack: EJS, Node.js, Express.js, MongoDB, Tailwind CSS, Cloudinary, Passport, Multer

- Built a full-stack hotel rental platform using Node.js, Express.js, EJS, and MongoDB Atlas, allowing users to list and review properties.
- Implemented Passport.js for secure user authentication, enabling login, registration, and session management.
- Integrated Multer and Cloudinary for image upload and storage in hotel listings.
- Enabled users to create, edit, delete their own listings, and submit reviews on other properties.

Education

Comsats University Islamabad | Vehari Campus

Sept 2021 – June 2025

- Bachelor in Computer Science
- Coursework:** Data Structure and Algorithm, Object-Oriented Programming (C++/Java), Computer Network, Operating System, Database (SQL/ Non-SQL), Artificial Intelligence, Web Development, Machine learning.
